BASEBALL

Philadelphia 8, Cleveland 6.
Philadelphia, Sept. 15.—Philadelphia and Cleveland played a see-saw game here today, the former winning 8 to 6. The home team took the lead in the third inning by scoring four runs on a pass to E. Murphy, singles by Collins, Baker and Walsh, and Barry's double. Cleveland scored six runs in the fourth. A pass to Chapman, singles by Jackson, Lajoie and Johnston and Bush's fumble of Turner's bunt scored two runs and left the bases filled. Plank took Bush's place and Graney cleared the bases with a double. Graney scored on an out and Gregg's single.

Philadelphia tied the score in the fifth on Baker's being hit, his steal of second, Walsh's single and two wild pitches by Gregg with the bases filled, and one out in the seventh. Houck, who started to twirl in the fifth, was taken out. Bender went in and retired the next two batters without a run. Bender also retired his opponents in order in the last two innings, getting a record of five strikeouts. Philadelphia won the game in the seventh. Collins led off with a triple and Gregg was succeeded by Steen. A wild pitch scored

Collins, while McInnis scored on an error by Chapman and Walsh's triple. A feature of the fielding was a wonderful one-hand leaping catch by Turner on which a double play was made and Oldring's catch of a liner off Gregg's bat, on which Oldring ran to second base and made a double play unassisted.

Tigers Defeat Yankees.
New York, Sept. 15.—Detroit, by winning from New York today, 7 to 5, evened up the series here and prevented Chance's men from moving in to seventh place. It was a see-saw contest. Detroit won in the ninth when Willett doubled with two out and drove in Gibson and Louden. Gibson had singled and Louden had walked. In five times up Louden got four bases on balls and was hit by Warhop. Fisher was ordered out of the game in the third for protesting called balls, and Warhop who relieved him was ineffective. Both Catchers Sweeney and McKee were injured and had to retire.

Manager Chance put two more recruits on the line-up today—Outfielder Whitman and Catcher Reynolds, both of Houston. Outside of the battery Chance did not have a man in the line-up who was on the club at the opening of the season.

Split a Doubleheader.
Pittsburgh, Sept. 15.—Pittsburgh and Boston broke even in a double header this afternoon. Boston by a ninth inning rally overcame a two-run lead in the first game and scored three runs, winning 6 to 5, while Pittsburgh took the second game, 6 to 1, by hitting Russell hard with a two-run lead, two men out and two strikes on Connolly in the ninth inning, of the first game. McQuillan looked like the easiest kind of a winner, particularly when Connolly on the next ball pitched him, hit a nice grounder toward Cox. But the ball hit a pebble, shot to one side and went for a hit. Sweeney singled and Meyers walked, filling the bases. Zinn shot a two-bagger down the right field line, scoring two men. Hendrix went to McQuillan's relief, but Griffith's single scored the winning run. Quilan who pitched for Boston was presented with a silver service by admirers from Duane, Pa. and after the exciting finish he was carried off the field on the shoulders of his friends.

Pittsburgh found Russell for fifteen hits in the second game while Adams held Boston to 4. In the seventh Carey walked, stole second and third and scored on Rariden's wild throw. Singles in succession by Wagner, Viox, Wilson, Miller, Mitchell gave Pittsburgh three more hits in the eighth. Boston's only run was scored on a walk to Smith and singles by Russell and Maraville in the eighth.

GOLF CHAMPIONSHIP.

Brookline, Mass., Sept. 15.—Frost was still whitening the green sward of the famous course of the Country Club, when the first balls were driven across the old polo field today in the nineteenth open golf championship of the United States. Despite the early hour there were several hundred spectators in terraces of the club, many of whom had motored out for breakfast.

The field today was limited to half the entry list, which this year reached a record of 170. President R. C. Watson of the National association and a mid-forenoon starter was on hand early with other officials to see that each pair of professionals was followed by a scorer. In those pairs in which amateur and professional play together the former keeps the card without the assistance of an official.

The starters will play a double round of the course and then wait a day, while the second division of the field has its innings tomorrow.

On Thursday the best 32-scores in each day will start in the customary 72-hole medal play contest for the championship.

CLABBY AND PETROSKY

San Francisco, Sept. 15.—Jimmy Clabby, the Milwaukee middleweight and Sailor Petrosky have been matched for a 20 round fight here on the night of October 3. The men will weigh in at 158 pounds at 5 p. m.

CROSS AND RIVERS

Los Angeles, Cal., Sept. 15.—It was announced today that negotiations for a 20-round bout between Leach Cross and Joe Rivers, lightweights at Vernon, October 7 or 14, had virtually been concluded. Cross and Rivers have twice battled to a draw.

This will be the first boxing contest at Vernon since the Jess Willard-John Young match, which was followed by the latter's death, the club having cancelled all scheduled matches at that time.

OBSERVE UNCLE SAM'S WARNING

Washington, Sept. 15.—Uncle Sam's "Keep off of the grass" warning was violated only 144 times in the last fiscal year, even though the warning covered a total of more than 128,000,000 acres of national forest. In announcing the record the forest service officials expressed their satisfaction at the showing awarding much credit to the stock raisers in the neighborhood of the forests for their cooperation in enforcing the law.

Of the total number of cases of grazing trespass 20 were dismissed for lack of evidence. A number of cases already have been prosecuted and fines and punishment inflicted. During the year more than twenty million head of stock grazed under permits on the national reserve and thirty-two thousand permits were issued.

STATES PREPARING FOR FALL ELECTIONS

New York, Sept. 15.—Candidates for the state assembly, for eleven places on the supreme court bench and for county and municipal offices in various localities, will be nominated today at primaries held throughout New York state. In most places the primary elections are perfunctory, since there is no opposition to the candidates designated by the various party organizations.

Six parties have their names on the primary ballots—the Democrats, Republicans, Progressives, Socialists, Prohibitionists and the Independence league.

Pennsylvania Elections.
Philadelphia, Sept. 15.—Primary elections were held throughout Pennsylvania today for the nomination of candidates to fill two places on the state superior court bench and to name candidates for other judicial, county and municipal offices.

DEMOCRATS USE "CAUCUS RULE"

Vote Down All Amendments of the Republicans and Progressives—Charges of Gag Law.

Washington, Sept. 15.—With well oiled legislative machinery working smoothly, the administration currency bill rolled steadily toward completion today and detailed consideration in the house. A chorus of Democratic "noes" quickly disposed of the numerous efforts of Republicans and Progressives to alter the provisions of the measure as agreed on by the Democratic caucus. Not a single material amendment was voted into the bill.

The debate bristled with charges of "gag law" and "caucus rule" from the minority with occasional sympathetic replies from the Democratic side but when the votes were needed, the line held firm behind Chairman Glass of the banking and currency committee. Representative Mondell of Wyoming and Progressive Leader Murdock devoted considerable time to pleading with the Democrats to break the shackles, and desert the caucus pledge. Mr. Mondell became involved in a spirited controversy with Representative Stanley of Kentucky who had something to say about Republican caucus action. Representative Donovan, Democrat of Connecticut, joined with Representative Murdock in one of his attacks, declaring that the leaders had abandoned the currency bill to the new members of the house.

DECREASE IN U. S. GOLD PRODUCTION

Washington, Sept. 16.—Production of gold in the United States during 1912 amounted to \$93,451,500, a decrease of \$3,435,500 as compared with the previous year, and the lowest American production since 1907.

The output of silver was \$3,766,800, fine ounces, valued at \$39,197,500, an increase of \$2,367,400 ounces over 1911, the greatest gain being in the state of Utah.

The figures were made public today in a joint statement by the mint bureau and the geological survey. The decrease was caused because of Nevada's output lost \$4,521,200 as compared with 1911.

George E. Roberts, director of the mint, said today that while the output of gold had decreased in the United States and Australia there was sufficient increase in South Africa to make the world's production of gold for 1912 greater than in 1911. Statistics are not yet available on the world's production.

California led the states in gold production, putting out \$20,008,000; Colorado came second with \$18,741,500, and Alaska third with \$17,195,500.

SONS OF HERMANN
San Francisco, Sept. 15.—The first business session of the grand lodge convention of Hermann Sons was held this morning. Reports of various officials were read and president William F. Olsen announced the appointment of committees on nominations, resolutions and publicity.

The election of national officers is expected to be reached on Friday.

WITHOUT A MULHALL

"Moses was the great lawgiver," said the student.

"Yes, and a wonderful part of his work was the way he managed to put so many great laws into effect without the assistance of a lobby."
